Dear Business Owner,

The Saugus High School Band is looking for business sponsors for our annual tour. This year, the cost of our tour is **\$800**, a cost that for many of our families is prohibitive to their involvement in the activity. This year, we want to involve our community businesses and entrepreneurs to make sure that we leave no Saugus Student behind on this incredible opportunity. To that end, we would like to invite you to a general sponsorship that brings the cost of tour down for each student. Our band sponsorship opportunities include featured ad space throughout our season, depending on the level of sponsorship with the band. We want to invite you to take advantage of it to support our incredible students. Our tour this year will head to San Francisco where the students will experience the opportunity to perform at Stanford University, as well as receive a clinic from their renowned band program. Finally, students will tour the city of San Francisco and experience a concert with the San Francisco Symphony Orchestra.

The Saugus High School Band and Color Guard is made up of 113 teenagers who strive for excellence in everything they do. The band has been an annual finalist in the Southern California School Band and Orchestra Association championship marching band competition for 15 years. We have earned highly successful results in marching band, jazz band, and concert band competitions and performances throughout our history and we are looking forward to another successful year, with your help!
